Dear Weisbergs,

Hope all is well with you. Lon said he saw you on a TV program and that you looked great.

I'm still working and plan to continue a few more years because the money is good and I feel well.

Meanwhile, I continue to get calls, letters and even visits from Assassination buffs. I politely tell them I have nothing to say and let it go at that.

I have a Toll Free number at work. It is 1-800-777-8680. I'm there from 4 PM to midnight Tuesday through Saturday. The operator will track me down. Give me a call.

As ever,
Lonnie
